About Me

I am a BCA (Hons.) Cloud Computing student at Marwadi University, with a strong enthusiasm for cloud technologies and DevOps practices. I am actively seeking an internship opportunity where I can apply my foundational knowledge in AWS and cloud infrastructure. My goal is to gain hands-on experience in building scalable, secure, and efficient cloud-based solutions while working collaboratively in a dynamic tech environment.

Education

Krishna School	Secondary School Certification Commerce
Crystal School	Higher Secondary Certification Commerce
Marwadi University	BCA (Hons.) Specialization in Cloud Computing

Projects

College ERP System

- Developed in a team using PHP, MySQL, HTML, CSS, and JavaScript. The ERP system provides academic resources including courses, timetables, quizzes, and galleries.
- Tools used: PHP, HTML, CSS, JavaScript, MySQL

DFlow

- A mobile app for dance learners with tutorials, schedules, instructor profiles, and community interaction.
- Tools used: Android Studio, Java, XML, Firebase, VideoView, ExoPlayer, RecyclerView, Material Design, Glide, Canva/Figma

Technologies

Programming Languages: Java, Python

Cloud Tools: AWS, GitHub, Docker, Jenkins

Operating Systems: Linux, Windows

Certificates

- AWS Quest
- AWS Cloud Practitioner Essentials | AWS Training and Certifications

- Workshop on Deploying PHP Applications using AWS Services
- Google Engineering Certificate
- The Linux Foundation Certificate

Additional / Related Experience

- Currently learning and practicing **AWS S3** (storage, static website hosting, and backup solutions).
- Exploring **AWS EC2** for deploying and managing cloud-based servers.
- Hands-on practice with **AWS IAM** for identity and access management.
- Gaining knowledge in **AWS CloudWatch** for monitoring and logging.
